how u going to do a freaky gurl song and not include
nicki minaj i mean come on now u know my fuckin
name

shes a very freaky gurl dont bring home to mama
first u get her name
then u get her number
then u get some brain in the front seat of the hummer
then u get some brain in the front seat of the hummer

she a very freaky gurl she get it from her mama
first u get her name
then u get her number
then u get som brain in the front seat of the hummer
then u get some rain in the front seat of the hummer

u want a freaky gurl welcome to nicki's world ni-ni-ni-
nicki's world ni-ni-ni nick's world

umm let me think what can i do to kick it off
how bout i cum all on yo dick and then i lick it off
i mean its somthing so funny when it drips off
i like to play with it squeeze it like a stress ball
he say he like to hear the sound of me slurpin it
turn off his fone cuz them hoes keep chirpin it
tell me that i got the fattest pussy in the whole world
and if i let them eat it i could be his ol'gurl
fuck i look like turning down some head
i mean thats sorta like a bird turnin down some bread
u can eat it like a treat u can squirt it u can skeet
im a freak i love the beat
just dont get none on my sheets
but eveytime i pop the coochie u jus start chokin me
now im kinda scared i got a feeling gucci stalking me
sex game kinky ; niggas call me pinky fuck the
president i am nicki lewinski
shes a very freaky gurl dont bring home to mama
first u get her name
then u get her number
then u get some brain in the front seat of the hummer
then u get some brain in the front seat of the hummer

she a very freaky gurl she get it from her mama
first u get her name
then u get her number
then u get som brain in the front seat of the hummer
then u get some rain in the front seat of the hummer

im a very freaky girl
very freaky girl girl
very freaky girl
very freaky girl girl
very freaky girl
very freaky girl girl
ohhhhhh. yu want a freaky girl.? welcome to kim's
world
you aint gon wanna leave
juss like a kid at disney world
my deep throat'll have yu squirtin like a water gun
coochie over flowin like somebody let the faucet run
bust one nut, i aint done, i got more to cum
friends.? tell em mo to cum
we gon have some orgy fun, yeaaaaa
chew on it like sum bubblequm
i'll lick yu like a lollipop, wont yu taste my honeybun
this'lour little secret, just like my underwear
you know pain iss pleasure
can you make me shed a tear
smack my ass, grab my neck, got him cumin
everywhere
im a freak so i dont care, just dont get nun in my hair
now he callin me wifey && he wanna introduce me
takin me on shopping sprees he wanna buy me gucci
zoomin like im boosie on the back of his suzuki
&& i aint even sex him, all i did was let him eat
my...COOCHIEE.
