### "Watch What You Say"

(feat. RU Spits)

Wha- wha- what did he say  
Mmmm whatcha say,  
Mmm that you only meant well?  
Well of course you did  
Mmmm whatcha say,  
Mmmm that it's all for the best?  
Of course it is

I was so wrong for so long  
Only tryin' to please myself (myself)  
Boy, I was caught up in his lust  
When I don't really want no one else  
So, no I know I should of treated you better  
But me and you were meant to last forever

So let me in (let me in) give me another chance  
(another chance)  
To really be your woman  
Cause when the roof caved in and the truth came out  
I just didn't know what to do  
But when I become a star we'll be living so large  
I'll do anything for you  
So tell me boi  
Mmmm whatcha say,  
Mmm that you only meant well?  
Well of course you did  
Mmmm whatcha say, (whatcha say)  
Mmmm that it's all for the best?  
Of course it is  
Mmmm whatcha say,  
Mmm that you only meant well?  
Well of course you did  
Mmmm whatcha say, (whatcha say)  
Wha- wha- wha- wha- what did he say

How, could I live with myself  
Knowing that I let our love go (love go)  
And ooh, when I do with one chance  
I just gotta let you know

I know what I did wasn't clever  
But me and you were meant to be together

So let me in (let me in) give me another chance  
(another chance)  
To really be your woman  
Cause when the roof caved in and the truth came out  
I just didn't know what to do  
But when I become a star we'll be living so large  
I'll do anything for you  
So tell me girl

Mmmm whatcha say,  
Mmm that you only meant well?  
Well of course you did  
Mmmm whatcha say, (whatcha say, whatcha say)  
Mmmm that it's all for the best?  
Of course it is  
Mmmm whatcha say,  
Mmm that you only meant well?

Well of course you did  
Mmmm whatcha say, (whatcha say, whatcha say)  
Wha- wha- wha- wha- what did she say

Boi, tell me whatcha said (said)  
I don't want you to leave me  
Though you caught me cheatin'  
Tell me, tell me whatcha said (said)  
I really need you in my life  
Cause things ain't right, boi  
Tell me, tell me whatcha said (said)  
I don't want you to leave me  
Though you caught me cheatin'  
Tell me, tell me whatcha said (said)  
I really need you in my life  
Cause things ain't right

Cause when the roof caved in and the truth came out  
I just didn't know what to do  
But when I become a star we'll be living so large  
I'll do anything for you  
So baby watcha say!

Mmmm whatcha say,  
Mmm that you only meant well?  
Well of course you did  
Mmmm whatcha say, (whatcha say, whatcha say)  
Mmmm that it's all for the best?  
Of course it is  
Mmmm whatcha say,

Mmm that you only meant well?  
Well of course you did  
Mmmm whatcha say, (whatcha say, whatcha say)  
Wha- wha- wha- wha- what did she say
