Chin checker I'm da chin checker

[Verse 1:]

It was a quarter passed 3 when I ran into rell  
Didn't forget my keys cause my name ring bells  
A lil white tee some addidas with the shells  
Tun in the coup oh! shoot broke a nail  
Let me let me think what I gotta gotta do  
Should I get the black or the chrome 22  
And if a bird try to get out of the cage  
I bitch down new york times front page  
I went to starbucks I wanted to get a frapo  
Then had a snapple apple with the capo  
That's fendi but that's irrelivent  
Threw him a couple benjies now I'm da president  
And I'm nicki and nicki so picky  
Slick like ricky flow be so icky  
Class is finished you'll be home bout 3  
So all ya rap bitches what ya'll know bout me

[Chorus:]

What ya know bout me  
Whatchu whatchu know bout me  
What ya know bout me  
Watchau watchu know  
They say the girl is a fool the girl get it boppin'  
The girl get them crills and the girl get it poppin'  
What ya know bout me  
Whatchu whatchu know bout me  
The girl gettin money a lot of dirty money  
I'll show you how to do it if you gettin somethin from  
me

[Verse 2:]

Got some nice titties yes they are pretty  
That's how I got the s the 550  
That's cause I gets I gets I gets busy  
That's why I don't need you to come get me  
I'm badder than the dude at the neverland  
In a money green coup with a leprechaun  
Holla at'em get a four leaf clover  
Go go against me guaranteed ya over

Now all the kids sweat nick like a mexican  
Cause I got more kicks than a temper tan-trum trum  
trum  
Ya slow poke betta run run run my lil coke  
And s-m-l-the l-e and ain't one thing they could tell me  
Cause I write write write my own shit  
I'm the one like I'm the culprit

[Chorus]
