So many girls in here, where do I begin  
I see this one, I'm bout to go in  
Then she said, I'm here with ma friends  
She got me thinking, and that's when I said

Where dem girls at, girls at?  
Where dem girls at, girls at?  
Where dem girls at, girls at?  
So go get them, we can all be friends

Hey, bring em on baby, all your friends  
Your the shit and I love that body  
You wanna ball, lets mix it,  
I swear you're good, I wont tell nobody  
You got a BFF, I wanna see that girl,  
It's all women invited  
Hair do's and nails, that louie  
Chanel all up inthe body  
Presidents in my wallet, no rules about it  
Blow the whistles for the hotties, I got it  
Shawty, it's never too much 10 to one of me  
I can handle that love  
Bottles in my reach, we can all get buzzed  
Holla cause I'm free til  
Whenever there's no rush

So many boys in here, where do I begin  
I see this one, I'm bout to go in  
Then he said, I'm here with my friends  
He got to thanking, and that's when he said

Where dem girls at, girls at?  
Where dem girls at, girls at?  
Where dem girls at, girls at?  
So go get them, we can ll be friends

Peebe, peebe, who's peabo bryson  
Two years ago I renewed my licence  
Anyway why'd I start my verse like that  
You can suck a dick, or you can suck on a ballsack  
No, no, I don't endorse that

P-p-pause that, a-a-abort that  
Just the other day mi go  
London, saw dat, kids down  
Hyde street  
Paparazzi, all dat  
Hey, hey, what can I say  
Day d-d-day d-day d-day day  
Comin through the club all the girls at the back of me  
This aint football why the fuck they tryin to tackle me?  
Really, a peep dude at the bar  
Like really, looking like he wanna good time like really,  
Said he had a friend for ma homegirl  
Lilly, lilly, lilly, lilly

So many girls in here, where do I begin  
I see this one, I'm bout to go in  
Then she said, I'm here with ma friends  
She got me thinking, and that's when I said

Where dem girls at, girls at?  
Where dem girls at, girls at?  
Where dem girls at, girls at?  
So go get them, we can ll be friends

Hey, hey, d-d-d-d-day (repeat)

Yeah where my girls at uhh, hmm, uhh (3X)  
Yeah where my girls, it's time to get things jumpin,  
jumpin, jumpin

So many girls in here, where do I begin  
I see this one, I'm bout to go in  
Then she said, I'm here with ma friends  
She got me thinking, and that's when I said

Where dem girls at, girls at?  
Where dem girls at, girls at?  
Where dem girls at, girls at?  
So go get them, we can ll be friends
