[Nicki Minaj]

I got a fetish for boys that's pushing them nice toys
A fetish for dem boys that's fresher than altoids
I got a thing for a dude in a fresh pair of Mauris
If he rockin' 'em right then I might let him call me
He put the Prada bag with the Prada heels wid it
The Louis dufflebag had about a mil in it
From here to Trinidad, man I shoulda been wid it (?)
Cuz everything I had I just doubled them bitches
That's the kinda dude that can roll with the President
Sit up in the Rolls maybe roll to my residence
Stay around Fendi
He love my spaghetti
He let me do my thing he ain't never act petty
If he ringin', I'm dipping
Put the ring in my lip and
I just give 'em away
