I just don't know what to do with myself  
Don't know just what to do with myself  
I'm so used to doing everything with you  
Planning everything for two  
And now that we're through

I just don't know what to do with my time  
I'm so lonesome for you it's a crime  
Going to a movie only makes me sad  
Parties make me feel as bad  
When I'm not with you  
I just don't know what else to do

Like a summer rose  
It needs the sun and rain  
I need your sweet love to ease all the pain  
I just don't know what to do with myself (x2)  
Baby if your new love ever turns you down  
Come back I will be around  
Just waiting for you  
I don't know what else to do

I don't know just what to do with myself (x2)  
Baby if your new love ever turns you down  
Come on back I will be around  
Just waiting for you  
I'm still so crazy for you

No No No No  
I just don't know what else to do (x3)  
I'm still so crazy for you  
No No No No
