No restraint on the edge of insanity
(On the edge of insanity)
Greed never enough for the rich life
Slowness, flesh is heavy and frail

Seven deadly sins, seven dreams
Seven gates to hell, seven days
Seven world wonders, seven signs
Seven years bad luck, seven lives

Anger, blood boiling out of wrath and power
Arrogance, being better than others
Sensuality, devoted to the flesh
Envy, begrudge everyone else

Seven deadly sins, seven dreams
Seven gates to hell, seven days
Seven world wonders, seven signs
Seven years bad luck, seven lives
(Seven, seven, seven)

Seven deadly sins, seven dreams
Seven gates to hell, seven days
Seven world wonders, seven signs
Seven years bad luck, seven lives

Gluttony, never behold the end
Avarice, the eternal yearning for more
Sloth, learned to love the easy life
Rage, ignoring human loss
Pride, blindness before the fall
Lust, dedicated to passion
Jealousy, confirmation of possession

Seven deadly sins, seven dreams
Seven gates to hell, seven days
Seven world wonders, seven signs
Seven years bad luck, seven lives
