A thousand times you peer into their hearts  
A thousand times you abduct their hope  
A thousand times you perceive the dark voices  
A thousand times you annihilate life

Angel of fate  
Wings of demise  
Protector of the night  
Keeper of the wind

Angel of fate  
Wings of demise  
Protector of the night  
Keeper of the wind

A thousand times you scorch the heaven  
A thousand times you banish countless souls  
A thousand times you trust in the evil  
A thousand times you abuse eternity

Angel of fate  
Wings of demise  
Protector of the night  
Keeper of the wind

Angel of fate  
Wings of demise  
Protector of the night  
Keeper of the wind

A thousand times you fly with the flames  
A thousand times you die to win  
A thousand times you glide through the night  
A thousand times you deceive mankind

Angel of fate  
Wings of demise  
Protector of the night  
Keeper of the wind

Angel of fate  
Wings of demise

Protector of the night  
Keeper of the wind
