Its The End Of The World As We Know It(And I Feel Fine)

That's great, it starts with an earthquake,
birds and snakes, an aeroplane - Lenny Bruce who's
not afraid.
Eye of a hurricane, listen to yourself churn -
world serves its own needs,
Dummy serve your own needs.
Speed it up a notch, speed, grunt no, strength no.
Ladder structure clatter with fear of height, down
height.
Wire in a fire, represent the seven games in a
government for hire and a combat site.
Left her, wasn't coming in a hurry with the furies
breathing down your neck.
Team by team reporters battle Trump, tethered crop.
Look at that low plane! Fine then.
Uh oh, overflow, population, common group, but it'll
do.
Save yourself, serve yourself.
World serves its own needs, listen to your heart beat.
Tell me with the rapture and the reverent in the right -
right.
You vitriolic, patriotic, slam, fight, bright light, feeling
pretty psyched.

It's the end of the world as we know it.
It's the end of the world as we know it.
It's the end of the world as we know it and I feel fine.

Six o'clock - TV hour. Don't get caught in Ford tower.
Slash and burn, return, listen to yourself churn.
Lock him in uniform and book burning, blood letting.
Every motive escalate. Automotive incinerate.
Light a candle, light a votive. Step down, step down.
Watch a heel crush, crush.
Uh oh, this means no fear - cavalier. Renegade and
steer clear!
A tournament, a tournament, a tournament of lies.
Offer me solutions, offer me alternatives and I decline.

It's the end of the world as we know it.
It's the end of the world as we know it.
It's the end of the world as we know it and I feel fine.
(It's Time I had some time alone)

It's the end of the world as we know it.
It's the end of the world as we know it.
It's the end of the world as we know it and I feel fine.
(It's Time I had some time alone)

The other night I tripped a nice continental drift divide.
Mount St. Edelite. Leonard Bernstein.
Leonid Breshnev, Lenny Bruce and Lester Banks.
Birthday party, cheesecake, jelly bean, boom!
You symbiotic, patriotic, slam, but neck, right? Right.

It's the end of the world as we know it.
It's the end of the world as we know it.
It's the end of the world as we know it and I feel
fine...fine
