Never look back
Never look back
Never look back
Never look back

Der Dolch I'm Fleische steckt
Die Schande hat den Zorn erweckt
Liebe entfacht die Grausamkeit
Das Schicksal erwacht in Einsamkeit
Blicke sagen mehr als Worte
Von der Ewigkeit erh rt

Nobody would see
See me
Nobody would speak
Speak to me
Nobody would hear
Hear me
And nobody would feel
You will never, never look back

Never look back
Never look back
Never look back
Never look back

Das Tier I'm Mann geweckt
Die Chance hat das Blut geleckt
Angst entspringt der Dunkelheit
Das Fieber erstickt die Ehrlichkeit
Taten z hlen mehr als Worte
Von der Leichtigkeit emp rt

Nobody would see
See me
Nobody would speak
Speak to me
Nobody would hear
Hear me
And nobody would feel
You will never, never look back

Niemand will es sehen, niemand will es sagen
Schaue nie zurÃ¼ck
Niemand will es hÃ¶ren, niemand will es fÃ¼hlen
Schaue nie zurÃ¼ck

Nobody would see
See me
Nobody would speak
Speak to me
Nobody would hear
Hear me
And nobody would feel
Never look back

Nobody would see
Never look back
Nobody would speak
Never look back
Nobody would hear
Never look back
And nobody would feel
Never look back
