He is coming back  
Another body another face but same soul  
His former life is filling up with hate and pain  
Many people dying through his hands

Uponing to tortured  
Uponing to tortured  
And agonized with blood  
The calling was to the dead ones always ahead

After the death given a new life  
The punishment you taken for mistakes  
His old corpse is rotting away  
And smelling decomposed

Reincarnation, a new life  
Reincarnation, the same way

His old corpse is rotting and decomposed  
The punishment for mistakes is painful  
Imprisoned in a deformity body  
The deliverance out of this life  
Is the death imprisoned deliverance  
The punishment

His old corpse is rotting and decomposed  
The punishment for mistakes is painful  
Imprisoned in a deformity body  
The deliverance out of this life  
Is the death imprisoned deliverance  
The punishment

After the death given new life  
The punishment you taken for mistakes  
His old corpse is rotting away  
And smelling decomposed

Reincarnation, a new life  
Reincarnation, the same way

Closing your eyes for off you prophesy  
And ignored your mistakes

Agonized and murdered  
Let your propelling the push

Look forward of your new birth
