"The Curse"

The curse beyond expression
Disgrace over your head
Fear of meeting your downfall
Peace alone from human hand

The magic flee from life
The shadows time to say goodbye
The sorrow revelation of the youth
The curse look into the face of truth

Blood of your ancestors
Satisfaction for justice
In the face of anger in the eyes of fury
The fight for eternal existence

The magic flee from life
The shadows time to say goodbye
The sorrow revelation of the youth
The curse look into the face of truth

Revenge of the preacher
Victory the goal of choice
Life blown out like a candle
The day will get you, say farewell

The magic flee from life
The shadows time to say goodbye
The sorrow revelation of the youth
The curse look into the face of truth

The magic
(The magic)
Flee from life
(From life)
The shadows
(The shadows)
Time to say goodbye
(Goodbye)
The sorrow
(The sorrow)
Revolution of the youth
The curse face of truth
