Through my soul I can life forever
The sense of death, escape of life
But I'm neither [Incomprehensible]
No ghost, no human being

Through my soul I can life forever
The sense of death, escape of life
But I'm neither [Incomprehensible]
No ghost, no human being

In the maze of torment
Rules fear and pain
The priest of doom
Guard above

In the maze of torment
Rules fear and pain
The priest of darkness
Guard above offer dead corpse

In that can die eternal
In realm of souls
I sorrow for new life

Through my soul
I can't die
Through my soul
Let me alone, let me alone

Dooms day near revenge is here
Mirrors broke
Soul in hope
Soon I'll be death

Through my painless soul
I can life forever
The sense of death
In human sacrifice

Sacrifice
Sacrifice
Sacrifice

Dooms day near revenge is here
Mirrors broke
Soul in hope
Soon I'll be death

In the maze of torment
Rules fear and pain
The priest of darkness
Guard above offer dead corpse

In that can die eternal
In realm of souls
I sorrow for new life
