Unspoken names never reach my heart  
again  
Unspoken feelings no one miss your life

- You see - you hear - you run -

And you awaken and don't know if you're

sleeping  
Overrun and compromised by the dreams  
of the  
instant future

Unspoken names never reach my heart  
again  
Unspoken feelings no one miss your life

- You feel - you think - you cry -

Disillusioned and deceived by the goals  
once  
pondered  
Betrayed and banned by the ones once  
trusted

Unspoken names never reach my heart  
again  
Unspoken feelings no one miss your life

Unspoken names never reach my heart  
again  
Unspoken feelings no one miss your life

Pursued and struck down by the lies that  
feast  
upon you  
Lost your virginity at the hands of space  
and time

Unspoken names never reach my heart  
again  
Unspoken feelings no one miss your life

Unspoken names never reach my heart  
again  
Unspoken feelings no one miss your life
