"Why"

Abandoned, without a word
Trust, broken without hope
Accused, seen as a loser
Punished, the heart broken

I recall your smile - I recall your smile
Endearing, the way you caressed me -
Blazing, an
endless sea of light

Demolish, every thing once built
Shattered, the escape from the unknown
Wounded, affected till eternity
Lost, what you once possessed

I recall your smile - I recall your smile
Endearing, the way you caressed me -
Blazing, an
endless sea of light

Without reason -Tell me why ? Without
words-
Tell me why ?
Without desire - Tell me why ? Without
sorrow-
Tell me why ?

Raped , by your own time
Pensive , loneliness remains
Expecting the inner sense
Fading , your voice dies away
I recall your smile - I recall your smile
Endearing, the way you caressed me -
Blazing, an
endless sea of light

Without reason-Tell me why ? Without
words-
Tell me why ?
Without desire- Tell me why ? Without
sorrow-
Tell me why ?

Tell me Why ? Tell me Why ?

Endearing, the way you caressed me -
Blazing, an
endless sea of light

Without reason-Tell me why ? Without
words-
Tell me why ?
Without desire- Tell me why ? Without
sorrow-
Tell me why ?
