I'm gonna make you mine  
'Cause you're all that I have left  
I'm gonna make you mine  
Like needles and regetet  
I'm staring at the line  
And you're all that I have left  
So I'm gonna make you mine  
Before I forget

Wouldn't want to be seen with stream green lines  
falling down on me  
And oh, you better not speak in case the glittering  
Cuts start to follow you  
Still I just want to know  
I just want to know  
If it's the last thing I ever do I'm gonna make this thing  
come true

And I don't even breath  
I'm too busy being what they need  
No I don't even speak  
In case it's not what I wanted to here

Wouldn't want to be seen with stream green lines  
falling down on me  
And oh, you better not speak in case the glittering  
Cuts start to follow you  
Still I just want to know  
I just want to know  
If it's the last thing I ever do I'm gonna make this thing  
come true

I'm gonna make you mine  
'Cause you're all that I have left  
I'm gonna make you mine  
Like needles and regetet
