You are relentless in the way that you ask me  
So many questions of my days in the city  
I wish that I could tell you something  
But I'm a hostage of my pride

I'll take all the heat your packin'  
Cause I'm an Iron Man  
I'm an Iron Man

You are relentless in the way that you know me  
And I'm a sheep when it comes to explain'  
I wish that I could keep you happy  
I wish that I could keep you young

Please forgive me for the distance  
But I'm an Iron Man  
I'm an Iron Man

La Da La Da  
Laaaa La Da La-Da [x3]

La La La La  
Laaaa La La La-Laaaa

You are relentless in the way that you love me  
And I'm afraid of the thoughts that you're makin'  
I wish that I could know the difference  
Between your smiles and your frowns

Now I'm buried in the armor  
Cause I'm an Iron Man  
I'm an Iron Man
