Now that it's time, now that the hour hand is landed at  
the end,  
Now that it's real, now that the dreams have given all  
they had to lend,  
I want to know:  
Do I stay or do I go? And maybe try another time?  
And do I really have a hand in my forgetting?

Now that I've tried, now that I've finally found that  
this is not the way,  
Now that I've turned, now that I feel it's time to  
spend the night away,  
I want to know  
Do I stay or do I go? And maybe finally split the rhyme?  
And do I really understand the under netting?

Yes, and the morning has me looking in your eyes and  
seeing mine,  
Warning me to read the signs  
Carefully

Now that it's now, now that the canvits falling smaller  
in my mind,  
Now that its here, now that I'm almost not so very far  
behind,  
I want to know:  
Do I stay or do I go? And maybe fall another sigh?  
And do I really have a song that I can ride on?

Now that I can, now that it's easy ever easy all  
around,  
Now that I'm near, now that I'm falling to the  
sunlights and to song,  
I want to know:  
Do I stay or do I go? And do I have to do just one?  
And can I choose again if I should lose the reason?

Yes, and the morning has me looking in your eyes and  
seeing mine,  
Warning me to read the signs  
More carefully!

Now that I smile, now that Iâ€™m laughing even deeper  
in this sigh,  
Now that I see, Now that Iâ€™ve finally found the one  
thing Iâ€™d like  
Itâ€™s now I know:  
That do I stay or do I go. And it is finally I decide,  
That Iâ€™d be leaving in the fairest of the seasons.
