This is the end of a beautiful friendship
It ended a moment ago
This is the end of a beautiful friendship
I know, for your eyes tell me so

We were always
Like sister and brother
Until tonight
When we looked at each other

That was the end of a beautiful friendship
And just the beginning of love

We were always
Like sister and brother
Until tonight
When we looked at each other

That was the end of a beautiful friendship
And just the beginning of love...
And just... the beginning of love
