Yeah!

Tu
Pallida luna perch
Sei tanto triste cos'
Che non risplendi per me.
Lass
Tu puoi veder nel mio cuor
La delusione d'amor
Questo mio grande dolor

And then there suddenly appeared before me
The only one my arms will ever hold.
I heart somebody whisper: Please adore me
When I looked, that moon had turned to gold

Ma tu
Pallida luna perch
Sei tanto triste cos'
Che non risplendi per me.
(Go man!)

And then there suddenly appeared before me
The only one my arms will ever hold.
I heart somebody whisper: Please adore me
When I looked, that moon had turned to gold

Blue Moon,
Now I'm no longer alone
Without a dreaming my heart,
Without a love of my own.

Blue Moon!
