Don't forbid me... to hold you tight
Darlin', don't forbid me... to hold you tight
Let me hold you in my lovin' arms
'Cause it's cold... and I can keep you warm

Don't forbid me... to kiss your lips
Darlin' don't forbid me... to kiss your lips
Let me kiss you please, baby, please
'Cause it's cold... and your lips might freeze

There's a strong West wind a-blowin'
And there's a big blue moon above
And, pretty baby, I've been knowin'
We need some heart-warmin' love

So don't forbid me... to talk sweet talk
Darlin' don't forbid me... to talk sweet talk
Let me fill your little heart with fire
'Cause it's cold... so don't forbid me my desire

There's a strong West wind a-blowin'
And there's a big blue moon above
And, pretty baby, I've been knowin'
We need some heart-warmin' love

So don't forbid me... to talk sweet talk
Darlin' don't forbid me... to talk sweet talk
Let me fill your little heart with fire
'Cause it's cold... so don't forbid me my desire

It's so cold... so don't forbid me my desire
(More time)
'Cause it's cold... so don't forbid me my desire
