Yeah... Gianni Basso, go man!

Night and day,
You are the one,
Only you beneath the moon and under the sun.
Whether near to me or far,
It's no matter, darling, where you are
I think of you
Night and day

Day and night,
Why is it so,
That this longing for you follows wherever I go?
In the roaring traffic's boom
In the silence of my lonely room,
I think of you
Night and day

Night and day,
Under the hide of me
There's an Oh, such a hungry yearning, burning inside
of you.
And it's torment won't be through
Till you let me spend my life making love to you.
Night and day

C'Ã" Enrico Rava, adesso

Night and day,
Under the hide of me
There's an Oh, such a hungry yearning, burning inside
of me.
And it's torment won't be through
Till you let me spend my life making love to you.
Day and night
Night and day
Day and night
Night and day
Night and day
Night and day... Yeah!
