Rome by night... is a dream  
It's quite lovely place  
And fine place of the world  
Rome by night... is a dance  
That you can feeling in your heart  
When you fire of the world of romance

Loves perfume in the air  
Makes the change of mid in your lover... ever so bright  
Though it's thousands of my sprom home  
There is no nice place to Rome  
Rome by night... with my love

Rome by night... is a dance  
That you can feeling in your heart  
When you fire of the world of romance

Loves perfume in the air  
Makes the change of mid in your lover... ever so bright  
Though it's thousands of my sprom home  
There is no nice place to Rome  
Rome by night... with my love
