Speak of the devil... sometimes I do
Speak of the devil I talk about you
And now you happy you
For why you don't to me
I hate you, hate you, hate you
For all this misery

Think of the devil sometimes I do
Think of the devil I think about you
And now you hurt me
And now I trusted you
You hurt me, hurt me, hurt me
Just like the devil would do

Uuuh ones the devil sometimes I do
Stay way you are stay are my dreams
Goes I no want you
Why don't you set me free
Don't want you, want you, want you
To make a devil out of me

Oh speak of the devil sometimes I do
Speak of the devil I talk about you
But I forget you
The way I know I should
Forget you, I forget you
'Cause you would never be know
No no no good

Go man!

Speak of the devil sometimes I do
Speak of the devil I talk about you
But I forget you
The way I know I should
Forget you, I forget you
'Cause you would never be know
No no no no good...
No good no good yes
Yes no good
No good... ah...
Eh!
