Very fast! Go band!

Go, go, go, go, go, go, go

Go, go, go, go, go, go, go, go, go, go

Go, go!

Yeh... yeh

That old black magic has me in it's spell

That old black magic that you weave so well

Those icy fingers up and down my spine

The same old witchcraft when your eyes meet mine

The same old tingle that I feel inside

When that elevator starts it's ride

Down and down I go, round and round I go

Like a leaf... that's caught in the tide

I should stay away but what can I do

Your name, and I'm aflame

Aflame with such a burning desire

That only your kiss kiss kiss can put out the fire

For you the lover, I have waited for

Mate that fate had me created for

And every time your lips meet mine

Baby down down down I go, round and round I go

In a spin, loving the spin I'm in

I'm in under the old black magic called Ah!

[Parlato]

Go man! Yeah!

Yeah

I should stay away... but what can I do

I hear your name... and I'm aflame

Aflame with such... burning desire

That only your kiss kiss kiss... put out the fire

For your the lover, I have waited for
Mate that fate had me created for
And every time your lips meet mine
Baby down down oh down I go, round and round I go
In a spin... loving the spin I'm in
I'm in under that old black magic called love
In a spin... loving the spin I'm in
I'm in under that old black magic called love go!
In a spin... loving the spin I'm in
