That old black magic has me in it's spell  
That old black magic that you weave so well  
Those icy fingers up and down my spine  
The same old witchcraft when your eyes meet mine

The same old tingle that I feel inside  
When that elevator starts it's ride  
Down and down I go, round and round I go  
Like a leaf... that's caught in the tide

I should stay away but what can I do  
Your name, and I'm aflame  
Aflame with such a burning desire  
That only your kiss kiss kiss can put out the fire

For your the lover, I have waited for  
The mate that fate had me created for  
And every time your lips meet mine  
Baby down down down I go, round round round I go  
In a spin, loving the spin I'm in  
I'm in under the old black magic called wuh!

Vai man!  
Yeah  
Bravo, bravo, bravo... bravo  
Antonello Vannucchi  
Vai, vai Giampaolo Ascolese

I should stay away... but what can I do  
I hear your name... and I'm aflame  
Aflame with such... burning desire  
That only your kiss kiss kiss... put out the fire

For your the lover, I have waited for  
The mate that fate had me created for  
And every time your lips meet mine  
Baby down down down I go, round round round I go  
In a spin... loving the spin I'm in  
I'm in under that old black magic called love... more!  
In a spin... loving the spin I'm in  
I'm in under that old black magic called love... more!  
In a spin... loving the spin I'm in

I'm in under that old black magic called love  
Black magic  
Black magic  
Black magic  
Gichiti-gichiti-gichiti-gã¬  
And gichiti-gichiti-gichiti-gã¬...  
Pe-rã²-ba-bo bi-ba-bo-bi bi-bi-ri-a-bo bi-bi-ri-a-bo pe-pi-
