(Vai, pdu-da pdu-da pdu-du-du-dÃ ...
More, more, more, more...)

To spend one night with you
In our rendez-vous
And reminisce with you
Yes, that's my desire

Meet where gypsies play
Down in small Cafe
And dance you break of day
That's my desire

Sip a little glass of wine
I'll gaze into your eyes divine
I'll feel the touch of your lips
Pressing in your mine

To hear you whisper low
Just when it's time to go
"Chery, I love you so"
Yes, that's my desire
(Go man, go man)
(Go man)
(Yeh, go)

Spend one night with you
In our rendez-vous
Reminisce with you
That's my desire

To meet where gypsies play
Down in small Cafe
And dance you break of day
That's my desire

Sip a little glass of wine
I'll gaze into your eyes divine
I'll feel the touch of your lips
Pressing in your mine

To hear you whisper low

Just when it's time to go
"Chery, I love you so"
"Chery, I love you so"
"Chery, I love you so"
That's my desire

(Yeahaaaa, go, ah, let's you go go)
