(We'll be together again... go!)

No tears, no fears
Remember, there's always tomorrow
So what if we have to part
We'll be together again

Your kiss, your smile
Are memories I'll treasure forever
Try thinking with your heart
We'll be together again

Times when I know you'll be lonesome
Times when I know you'll be sad
Don't let temptation surround you
Don't let the blues make you bad

Some day, some way
We both have a lifetime before us
And parting is not goodbye
We'll be together again

No tears, no fears
Remember, there's always tomorrow
So what if we have to part
We'll be together again

Your kiss, your smile
Are memories I'll treasure forever
Try thinking with your heart with pain
We'll be together again

Times when I know you'll be lonesome
Times when I know you'll be sad
Don't let temptation surround you
Don't let the blues make you bad

Some day, some way
We both have a lifetime before us
And parting is not goodbye
We'll be together again
