Mirror mirror
On the wall
Tell me am I beautiful?
Will I be successful?
Just like everybody else
I admire in my deepest dreams
Will I live the fantasy?
Will I be on the movie screens?
Cruising in the bushy limousines

Will I live the life or make believe?
Will I see who I yearn to be?
Will I be liked be everybody?
Geek, freak, or in between tween
I know I can do anything
And all I can do is believe
With the faith of my dreams
Yeah-yeah-yeah
With the faith of my dreams
I'll do amazing things

Sitting in my bed
Wishing upon the stars
That what I want
Won't be too far
And everything will come in place
When I set my goals
Be there someday
I know what is good for me
Will come to life in time
But for now I'll still hold on
It won't be long
Until my destiny comes right along

Will I live the life or make believe?
Will I see who I yearn to be?
Will I be liked be everybody?
Geek, freak, or in between tween
I know I can do anything
And all I can do is believe
With the faith of my dreams
Yeah-yeah-yeah

With the faith of my dreams
I'll do amazing things

You can go so far
If you know it in your heart
Have to believe in your dreams
No matter what the odds may seem
So fight the good fight
And put in the time
And soon you'll find yourself
Right where you belong

Will I live the life or make believe?
Will I see who I yearn to be?
Will I be liked be everybody?
Geek, freak, or in between tween
I know I can do anything
And all I can do is believe
With the faith of my dreams
Yeah-yeah-yeah
With the faith of my dreams
I'll do amazing things
