I'm gonna slide my favorite shoes on-on  
Tonight nothing can go wrong-wrong  
Gonna brush old feelings aside  
And have the time of life  
I'm talking about  
DJ's dishing those dubs-dubs  
Florescent lights beaming the club-club  
And when the music is right  
I'm gonna set it off tonight

So possessed by the beat  
All there eyes are on me  
Wave your hands in the air  
I don't care  
Let the time go by  
Were gonna rock it tonight  
Cause when the party starts  
We gl gl glow in the dark

Not looking for the love-love  
I just wanna have fun-fun  
Leave my problems at home  
And when they play my song  
Raise my jersey fisting pump pump  
We bout to get it crunk crunk  
And set it off tonight  
Sss-set it off tonight

So possessed by the beat  
All there eyes are on me  
Wave your hands in the air  
I don't care  
Let the time go by  
Were gonna rock it tonight  
Cause when the party starts  
We gl gl glow in the dark

I don't know about you  
And your prerogative  
I'm just trying to have fun  
I've only started  
And if you think it's a lie

Then just look in my eyes  
Look in my eyes  
Look in my eyes  
You'll see how I feel inside  
When I set it off tonight  
Sss-set it off tonight

So possessed by the beat  
All there eyes are on me  
Wave your hands in the air  
I don't care  
Let the time go by  
Were gonna rock it tonight  
Cause when the party starts  
We gl gl glow in the dark
