The cute pritzzy girl  
Who wore the crown  
She said she was fine  
But inside she held a frown  
And ohh  
With the weight of the world  
On her shoulders  
She couldn't maintain  
Any longer  
And then she leaves  
With her parents pleading please  
But she'll never turn back  
And soon they'll discover that

People screaming in her ear  
The things she doesn't want to hear  
While everyone is in her face  
Her heart is in another place  
Her innocence taken  
At such an early age  
Filled with anger and rage  
It makes her want to rebel

The road scholar  
So popular  
Everybody wants him  
To get into Harvard  
But he's so afraid  
To listen to his heart  
So instead he'll give in  
To what everyone wants  
And ohh  
With this he won't get far  
It'll tear him apart  
So he'll run away  
Feeling heartache and pain

People screaming in his ear  
The things he doesn't want to hear  
While everyone is in his face  
His heart is in another place  
His innocence taken

At such an early age  
Filled with anger and rage  
It makes him want to rebel

2 page letter  
I'm running away  
Don't come looking for me  
2 page letter  
I'm running away  
Don't come looking for me

And how could you  
Expect of me?  
To be so perfect?  
Can't you see?  
I'm just like everybody else  
Searching for myself  
Cause in the end it's my own fate  
That's something I can't let you take

People screaming in my ear  
The things I didn't want to hear  
While everyone was in my face  
My heart was in another place  
My innocence taken  
At such an early age  
Filled with anger and rage  
It made me want to rebel
