So lately  
They've been calling me  
Attention deficit  
But I just can't help it  
Some call it bragging  
Some say it's over top  
But I just wanna live  
And give life all I've got  
Ooh ooh ooh  
So all there eyes are on me  
Maybe that's just the way  
It should be

I wanna feel spectacular  
Camera photos get a shot  
I'm not leaving till it's hot  
To feel spectacular  
Is but a privilege not a crime  
I'm gonna live it up tonight

Dancing in my skin  
Such a guilty sin  
And after years of fight  
Tonight I wanna fly  
Life has changed in so many ways  
I can't keep up with the pace  
But I'm not ashamed to say  
Tonight I dance for me

I wanna feel spectacular  
Camera photos get a shot  
I'm not leaving till it's hot  
To feel spectacular  
Is but a privilege not a crime  
I'm gonna live it up tonight

Ain't gonna live in secrecy  
Unleashing all my energy  
So go and get a taste  
I know you want it  
So long I lived in prison  
Tonight I'm back with a vengeance

So sing my name  
So sing my name

Ooh ooh ooh ooh  
Ooh ooh ooh ooh

I wanna feel spectacular  
Camera photos get a shot  
I'm not leaving till it's hot  
To feel spectacular  
Is but a privilege not a crime  
I'm gonna live it up tonight
