If you change your mind, I'm the first in line
Honey, I'm still free, take a chance on me
If you need me let me know, gonna be around
If you've got no place to go when you're feeling down

If you're all alone when the pretty birds have flown
Honey, I'm still free, take a chance on me
Gonna do my very best and it ain't no lie
If you put me to the test, if you let me try

Take a chance on me, take a chance on me
We can go dancing, we can go walking
As long as we're together
Listen to some music, maybe just talking

You'd get to know you better 'cause you know I've got
So much that I wanna do when I dream I'm alone with
you
It's magic, you want me to leave it there
Afraid of a love affair but I think you know that I want
you so

If you change your mind, I'm the first in line
Honey, I'm still free, take a chance on me
If you need me, let me know, gonna be around
If you've got no place to go when you're feeling down

If you're all alone when the pretty birds have flown
Honey, I'm still free, take a chance on me
Gonna do my very best and it ain't no lie
If you put me to the test, if you let me try

Take a chance on me, come on, give me a break will
you?
Take a chance on me
Oh, you can take your time, baby, I'm in no hurry
Know I'm gonna get you, you don't wanna hurt me

Baby, don't worry, I ain't gonna let you
Let me tell you now our love is strong enough
To last when things get rough, it's magic
You say that I waste my time but I can't get you off my

mind
And I think you know what I want you so
