Walkin' down Broadway
I saw a mom and her baby
She came up to me
And asked me for a dime
I said now come on
I'll take you to this diner
Gave her more than food
It cost me 6 o' 5

People don't need just money, people need love and
time
Spent a little time with the hurting honey and got
myself love-a-fied
Now I'm

(Chorus)
Blowin' kisses to the one I love
Blowin' kisses to the father above
Helpin' others to feel His touch
Blowin' kisses to the one I love

Well, she said their names
Were Rachel and Little Nikki
I said, "Hey, that's strange
Cause Niki's my name too"
As she turned to go
She spoke the words of blessing
With an angel's voice, she said
"I see the Christ in you"

People don't need just money, people need love and
time
I Spent a little time with the hurtin' honey, got myself
love-a-fied
Now I'm

(Chorus)

(spoken)Back in 1994 I had an episode
where I got myself love-a-fied
It was like soul food

highly seasoned

People don't need just money, people need love and
time

Spend a little time with the hurtin' honey, got myself
love-a-fied

Now I'm

(Chorus)

Blowin' kisses...blowin' blowin' kisses(fade til end)

Blowin' kissed to the one I love!
