---VERSE1---

Once upon a long night, after a hard ride, somewhere
in Bethlehem

A baby breaks the silence sweetly he's crying I AM
EMMANUEL

Then angels gave him music
Shepherds gave reverence and a message to the land
A widow held and cherished the God who became a
man

---Chorus---

Oh Lamb of God
Oh Prince of Peace
What tribute shall I bring to worship thee?
I have no gold to lay at your feet
So Lamb of God I offer me

---VERSE2---

Can you see the wise men?
A star did guide them searching all the earth
Till they found the one child the very Godchild who
ruled the universe
Did they know the lady's little baby was God and fully
man
And everything they gave him he himself had made
with his hands?

---CHORUS---

I bring you all my hopes
I bring you all my dreams
I give you all my soul my mind and all my strength
I wrap them all inside my heart to give to thee
AND I come
O come let us adore him
O come let us adore him
O come let us adore him Christ

Oh Lamb of God oh Prince of Peace
What tribute shall I bring to worship thee?
I have no gold to lay at your feet

So Lamb of God may I offer me

See have no gold to lay at your feet so Lamb of God
Please let me offer me

Lamb of God I offer me
