I'm not ashamed to tell the whole world, oh
Without you, I'm nothing at all
That I have strings in need of mending
I'm out of tune in certain parts
So strum the chords of mercy
Restore my soul completely
Lay your hand upon me
And this instrument will breathe

[Chorus]

'Cause you're the music of my heart
(Yeah yeah yeah yeah)
The melody within my soul
(Yeah yeah yeah yeah)
The song that holds me in the dark
(Yeah yeah yeah yeah)
The fire that warms me when I'm cold
(Yeah yeah yeah yeah)
The symphony that calms my fear
(Yeah yeah yeah yeah)
The lyric that I long to hear
(Yeah yeah yeah yeah)
The masterpiece, the work of art
Complete before I start
The music of my heart

Yeah
Yeah yeah yeah yeah yeah yeah

Creator of all that is lovely, oh
Write a tune upon my heart
And when you finish will you play me
Like a beautiful guitar?
Strum the chords of mercy
Restore my soul completely
Breathe life into me
And this instrument will sing

[Repeat Chorus]

Of my heart

I'm captivated
(Ha-Ha-Ha-Ha-Heart)
Of my heart
My soul's elated
(Ha-Ha-Ha-Ha-Heart)
Of my heart
Because
Every single line's full of love divine
Write me like a valentine

[Repeat Chorus]

Yeah, the music of my heart
Of my heart
The music of my heart
Of my heart
The music of my heart
