Who taught the sun where to stand in the morning?
And Who told the ocean you can only come this far?
And Who showed the moon where to hide 'til evening?
Whose words alone can catch a falling star?

Well I know my Redeemer lives
I know my Redeemer lives
All of creation testifies
This life within me cries
I know my Redeemer lives yeah

The very same God that spins things in orbit
Runs to the weary, the worn and the weak
And the same gentle hands that hold me when I'm
broken
They conquered death to bring me victory

Now I know my Redeemer lives
I know my Redeemer lives
Let all creation testify
Let this life within me cry
I know my Redeemer, He lives

To take away my shame
And He lives forever, I'll proclaim
That the payment for my sin
Was the precious life He gave
But now He's alive and
There's an empty grave

And I know my Redeemer lives
I know my Redeemer lives
Let all creation testify
Let this life within me cry
I know my Redeemer,

I know my Redeemer
I know my Redeemer lives
I know my redeemer lives
I know that I know that I know that I know that I know my
redeemer lives

Because He lives I can face tomorrow
I Know I know
He lives he lives yeah yeah I spoke with him this
morning
He lives he lives, the tomb is empty,
He lives I gotta tell everybody
