Sometimes, sometimes I'm just  
Runnin' so fast that I can't touch the ground  
I'm spinning faster than a merry go round  
I find myself in the lost and found  
And sometimes, sometimes I'm just  
Callin' your name and I don't know why  
Holdin' my head cryin' "my oh my"  
Up and down like the tide  
But you're the

Same yesterday, and tomorrow won't change all your  
excellent ways  
Same yesterday, and tomorrow won't change all your  
excellent ways

Sometimes, sometimes I'm just  
Being so good I can hardly stand it,  
Everything goes like I planned it  
Hold that thought while I get candid  
Sometimes, sometimes I jump  
Outta the pan, into the fire  
Get my foot stuck in the mire  
Lord you must get tired but you're the

Same yesterday, and tomorrow won't change all your  
excellent ways  
Same yesterday, and tomorrow won't change all your  
excellent ways

You're the alpha,  
The omega,  
The beginning,  
And the end,  
You're my Father,  
You're my Brother  
You're like no other  
My best friend

Same yesterday, and tomorrow won't change all your  
excellent ways  
Same yesterday, and tomorrow won't change all your

excellent ways
