Careful where you walk
Remain in the light
Watch where Death resides
Find you from all sides

Vultures circle in
Heavy like a stone
They take all they can get
Until you're dirt and bones

Na na na na na na na na, 000 000

Their bullet's the coin
Their bullet's the bomb
Their bullet's disease
Their calling card, their song

My bullet's to grow
Penniless and old
I take all I can get
Until I'm dirt and bones

Na na na na na na na na, 000 000

Take all they want

Now they lick from the bone

Na na na na na na na na, 000 000

I can dissapeer
From who I'd like to be
Simply run away
Hide behind the sea

Vultures circle in
Heavy like a stone
They take all they can get
They take all they can get
They take all they can get
Take all they can get
Until you're dirt and bones

Na na na na na na na na, ooo ooo
Na na na na na na na na, ooo ooo

Sometimes the past can weigh on me
Until I can't breathe
Ahead there is a tiny star
That even I can see

Ooo, ooo
