Can I get a witness?
Ah-
Yeah, yeah, yeah, yeah, yeah
Can you get with this?
Ah-
Yeah, yeah, yeah, yeah, yeah

Yeah(5x)

Lookin' for some ladies and some young men
To run the race and endure to the very end
No turning back, no quitting if you're gonna win
Your mark, get set, running like a champion

Have you heard the story about Joshua?
He was young, strong, and courageous
Not by power nor was it by might my friend
"But by my Spirit," that's what the Lord says

CHORUS:
Witness? ah-
Yeah, yeah, yeah, yeah, yeah
Can I GET A WITNESS, ah
Yeah,yeah, yeah, yeah, yeah
(repeat)

I believe God is calling you my friend
To shake your world upside-down and back again
Might be a hundred you might just be a little kid
But you can slay giants just the way that David did

I remember times when it was difficult
And I prayed that God would send a miracle
I don't know how but right up to the very end
He made a way outta' "no-way" and show 'nuff
delivered

Chorus

Sling shot in my back pocket track
Bumpin with a rocket

Battle rocks by my side
Ready for appocalypse
Even these inventions unseen but heard
Not by power or might but by my spirit says the Word

And who can be against us if you for us(nobody)
And who can shut us down if you with us(nobody)
And who can stop a thing that you started(nobody)
If you with us, put 'em up and be a witness

Chorus
