(Come on and be my love)

But how can you be sure?

(Oh Norma Jean)

Is there really just one?

(Come on, be my love)

So many songs, but I'm feeling so lonely

(Nicole Kidman)

You don't have to be beautiful, to turn me on
I just need your body, baby, from dusk till dawn

(All night long)

You don't need experience, to turn me out

Ya just leave it all up to me

(Come on Norma Jean)

Huh?

(Act your Age)

You don't have to be rich, to be my pearl

You don't have to be cool, to rule my world

Ain't no particular song I'm not compatible with

I just want your extra----boys, BOYS!

Give a chick a chance

(Hugh Jackman)

Well, since my baby left me, I've found a new place to dwell

It's down on the end of Lonely Street

Heartbreak hotel and I said,

I'm feelin' so lonely baby, I'm feelin' so lonely

(Both)

I'm feelin' so lonely, I could die...

Don't have to be rich, to be my girl

Don't have to be cool to rule my world (to rule my world)

Ain't no particular sign I'm compatible with

I just want your extra time, and your kiss.
