I still cry, I still cry
When I think about the way you make me feel
I wish I could die, I wish I could die
'Cause I rather be in heaven
Than living this life, ohh

[Chorus:]

As soon as I get to heaven,
I'm gonna hug you and kiss you
And show you how much I miss you
[x2]

This can't be real, tell me it's a dream
And that I wake up in the morning with you next to me
We made love, you made me cry
I can't believe I never feel you
At least not in sight

[Chorus]

ya-da-da-da-da-da-da, ya-di-da
la-la-da-da-da-da-da-da-da
ohh, ohhhh
ya-da-da-da-da-di-da-di-da-di-da
sha, sha, ooh
ya-da-da-da, oo-oooh, hooo
oooh, oooh, ooooh
ya-da-dee, ya-da-da, ya-da-dee
oooh, oooh, ooooooh, oo-oooooooooh

[Chorus]

Show you just how much I really miss you
I miss you

[Chorus]
