(Lamont Dozier, Nicole Renee Harris)

This is the one for the man upstairs
It's called "Ugh"
Can't really describe Him any other way
'Cuz I don't know what He looks like

[Chorus:]

Ugh, I will go
To the end of the world for you
I want you to know I love you
Ugh, I will go
To the end of the world for you
Do anything that you want me to
Yes, I will

When I was young,
The preacher said you died for me
Without your love,
I'll truly be in misery
Who ever shared equally the snow in June
Yes, you're losing your mind
I don't wanna lose my life

[Chorus]

They put me away
'Cause I wanted to get paid
Didn't have no shoes
Didn't mean to break the rules
But I stayed on my knees
I knew you would make a way
'Cause the world don't see things
The way you seeing things

[Chorus]

I'm in jail, prisoned in chains
I wanna cry, I wanny die
Addicted to pain
Will I ever come down from the rain?

[Chorus - repeat till fade]
