The girls are flipping their hair back  
You see them looking so perfect  
Like from another planet

All of the beautiful people  
Shining like diamonds  
Ain't got no problems  
They always smile for the camera  
Stealing the spotlight  
Living the high life

Cause it's the beautiful beautiful beautiful beautiful  
people they want  
It's the beautiful beautiful beautiful beautiful people  
they flaunt  
It's the beautiful beautiful beautiful beautiful beautiful  
beautiful people  
they love  
Yeah

Oh so you wanna be famous  
And undeniably sexy  
You wanna be so outrageous  
Oh oh oh oh

All of the beautiful people  
Shining like diamonds  
Ain't got no problems  
They always smile for the camera  
Stealing the spotlight  
Living the high life

Cause it's the beautiful beautiful beautiful beautiful  
people they want  
It's the beautiful beautiful beautiful beautiful people  
they flaunt  
It's the beautiful beautiful beautiful beautiful beautiful  
beautiful people  
they love  
It's the beautiful beautiful beautiful beautiful people  
they want  
It's the beautiful beautiful beautiful beautiful people

they flaunt  
It's the beautiful beautiful beautiful beautiful beautiful  
beautiful people  
they love  
Yeah

They say I wanna be ya  
I wanna be just like ya  
Whatever beautiful people  
Aye aye aye aye  
The beautiful people  
Beautiful people they love

All of the beautiful people  
Wanna be  
Don't you wanna be like  
All of the beautiful people  
Wanna be  
Don't you wanna be like

Cause it's the beautiful beautiful beautiful beautiful  
people they want  
It's the beautiful beautiful beautiful beautiful people  
they flaunt  
It's the beautiful beautiful beautiful beautiful beautiful  
beautiful people  
they love  
Cause it's the beautiful beautiful beautiful beautiful  
people they want  
It's the beautiful beautiful beautiful beautiful people  
they flaunt  
It's the beautiful beautiful beautiful beautiful beautiful  
beautiful people  
they love  
Yeah

Super beautiful  
Yeah they all just wanna be  
So super beautiful ain't really what it seems  
Everybody wants it  
Everybody wants a piece  
Of super beautiful  
They all want a piece yeah
