La,  
La, la, la,  
La, la,  
La, la, la, la, la,  
La, la, la.

ClubBanger Nation!  
Tell me, can you feel it?  
Tell me, can you feel it?  
ClubBanger Nation!

RedOne!  
Nicole!

This is for all my ClubBanger Nation!  
Are you ready?  
Oh-oh!

Electric guns are lighting up the place tonight,  
You know where the party's at.  
Ice cream delicious but hot, hot tonight,  
You know where the party's at.

We're staying till the sun comes up,  
Let's beat as one,  
Let's be lovers.  
I shouldn't love it on the rush,  
A few more shots,  
Then we're ready to go.

Everybody, it's a flow,  
I'm so jump off the rock,  
You know where the party's at.  
ClubBanger Nation,  
The night is alive,  
You know where the party's at.  
It's going down,  
It's going down, down, down.  
It's going down,  
It's going down, down, down.

Blow up the sound system,

Dim down the lights,  
This is where the party's at.  
It's a Genie in the Turntable,  
Better rock him right,  
Tell'em where the party's at!

Oh! Ha! Oh!  
Ha! Ha!

We're staying till the sun comes up,  
Let's beat as one,  
Let's be lovers.  
I shouldn't love it on the rush,

A few more shots,  
Then we're ready to go.

Everybody, it's a flow,  
I'm so jump off the rock,  
You know where the party's at.  
ClubBanger Nation,  
The night is alive,  
You know where the party's at.  
It's going down,  
It's going down, down, down.  
It's going down,  
It's going down, down, down.  
Down, down, down,  
Down, down, down,  
Down, down, down,  
Down, down, down.

ClubBanger Nation!  
Tell me, can you feel it?  
(Ha! Ha!)  
Tell me, can you feel it?  
(Feel it?)  
ClubBanger Nation!

ClubBanger Nation!  
Tell me, can you feel it?  
Tell me, can you feel it?  
(Can you feel it?)  
ClubBanger Nation!

Oh!

Everybody, it's a flow,  
I'm so jump off the rock,  
You know where the party's at.

Everybody, it's a flow,  
I'm so jump off the rock,  
You know where the party's at.  
ClubBanger Nation,  
The night is alive,  
You know where the party's at.  
It's going down,  
It's going down, down, down.  
It's going down,  
It's going down, down, down.  
Down, down, down,  
Down, down, down,  
Down, down, down,  
Down, down, down.
