Do what you want 2 me (yeah)  
Do, do, do, do what you want 2 me  
Do what you want 2 me (yeah)  
Do, do, do, do what you want 2 me

I want someone to take control  
of my body  
Tell me how much you, want me  
Chain me up and lock me  
and rough me up  
Do what you want 2 me  
do, do, do, do what you want 2 me  
Im giving you soul, destiny  
a very sexy part of me, boy!

Tell me when you ready to go  
Coz I'm ready  
You touch me there and im bout to explode  
The flows heavy  
I remember so, so comfort this  
...i want you  
ill be your yoyo pull me down ill let go  
(i only wanna please you)

And I know that youre the kinda boy that makes a girl  
mind blow and i could prolly take it but ill have to  
control cant you hear me begging soon ill break your  
ear drum and like a nympho i want more

I want someone to take control  
of my body  
tell me how much you want me?  
Chain me up and lock me  
and rough me up

Do what you want 2 me  
do, do, do, do what you want 2 me  
Im giving you soul, destiny  
a very sexy part of me, boy!

Do what you want 2 me (yeah)  
Do, do, do, do what you want 2 me (what)

Do what you want 2 me (yeah)  
Do, do, do, do what you want 2 me

Ill take you to a place where no one goes  
its filled with passion, be your bunny

baby get in the hole, give me the carrot  
I remember so, so comfort this  
you've used your tong like a match mix front to back  
and I'm back na na... na

And I know that youre the kinda boy that makes a girl  
mind blow and i could prolly take it but ill have to  
control cant you hear me begging soon ill break your  
ear drum and like a nympho i want more

I want someone to take control  
of my body  
tell me how much you want me?  
Chain me up and lock me  
and rough me up

Do what you want 2 me  
do, do, do, do what you want 2 me  
Im giving you soul, destiny  
a very sexy part of me huh!

Do what you want 2 me (yeah)  
Do, do, do, do what you want 2 me  
Do what you want 2 me (yeah)  
Do, do, do, do what you want 2 me

And I know that youre the kinda boy that makes a girl  
mind blow and i could hardly take it but ill have to  
control cant you hear me begging soon ill break your  
ear drum and like a nympho i want more  
I want someone to take control  
of my body  
tell me how much you want me?  
Chain me up and lock me  
and rough me up

Do what you want 2 me  
do, do, do, do what you want 2 me  
Im giving you soul, destiny  
a very sexy part of me huh!

Do what you want 2 me (yeah)  
Do, do, do, do what you want 2 me (what)  
Do what you want 2 me (yeah)  
Do, do, do, do what you want 2 me (what)

whispers: (do what you want to me)
