Don't hold your breath

You can't touch me now  
There's no feeling left  
If you think I'm coming back  
Don't hold your breath  
What you did to me  
Boy I can't forget  
If you think I'm coming back  
Don't hold your breath

I was under your spell for such a long time,  
Couldn't break the chains  
You played with my heart,  
Tore me apart with all your lies and games  
It took all the strength I had  
But I crawled up on my feet again  
Now you're trying to lure me back  
But no, those days are gone, my friend

I loved you so much that I thought someday that you  
could change  
But all you brought me was a heart full of pain

You can't touch me now  
There's no feeling left  
If you think I'm coming back,  
Don't hold your breath  
What you did to me  
Boy I can't forget  
If you think I'm coming back,  
Don't hold your breath  
Don't hold your breath

I was worried about you  
But you never cared about me none  
You took my money  
And I know that you, you could kill someone  
I gave you everything  
But nothing was ever enough  
You were always jealous over such crazy stuff

You can't touch me now  
There's no feeling left  
If you think I'm coming back,

Don't hold your breath  
What you did to me  
Boy I can't forget  
If you think I'm coming back,  
Don't hold your breath  
Don't hold your breath

Move on,  
Don't look back  
I jumped off a train  
Running off the tracks  
Your days gone,  
Face the facts  
A bad movie ends  
And the screen fades to black

What you did to me  
Boy I can't forget  
If you think I'm coming back  
(You can't touch me now)

You can't touch me now  
There's no feeling left  
If you think I'm coming back,  
Don't hold your breath  
What you did to me  
Boy I can't forget  
If you think I'm coming back,  
Don't hold your breath

You can't touch me now  
There's no feeling left  
If you think I'm coming back,  
Don't hold your breath  
What you did to me  
Boy I can't forget  
If you think I'm coming back,  
Don't hold your breath
