See reflections on the water
More than darkness in the depths
See him surface and never a shadow
On the winds I feel his breath

Golden eye, I found his weakness
Golden eye, he'll do what I please
Golden eye, no time for sweetness
But a bitter kiss will bring him to his knees

You'll never know how I watched you from the shadows
as a child
You'll never know how it feels to be the one who's left
behind
You'll never know the days and nights, the tears, the
tears I've cried
But now my time has come and time, time is not on
your side

See him move through smoke and mirrors
Feel his presence in the crowd
Other girls they gather around him
If I had him I wouldn't let him out

Golden eye, not lace or leather
Golden chain take him to the spot
Golden eye, I'll show him forever
It'll take forever to see what I've got

You'll never know how I watched you from the shadows
as a child
You'll never know how it feels to get so close and be
denied
It's a gold and honey trap I've got for you tonight
Revenge is a kiss this time I won't miss
Now I've got you in my sight

With a golden eye
Golden, golden eye
With a golden eye,
With a golden eye.
