[Mannie:]

America, I present to you
Nicole, along with ficky fre, fre e, fre e, fresh

[Nicole:]

Take a long look
Cause I'm here tonight
Time to step out
Start the evening right
You're my one man
You know how to please
With your smooth hands
You got all I need

(Come on we're wasting time)
We're wasting time
(I know what's on your mind)
What's on your mind

(You want to be with me)
That's right
And you know I can't wait to rock with you

Let's groove tonight
I wanna move and groove
With my boo tonight
Let's groove tonight
Baby let's groove tonight

I'm addicted
I took away your touch
And your kisses
I can't get enough
When we're groovin'
Ooh baby dip me low
I'm in heaven
Never ever let me go

No no

(I just can't help myself)
I can't help myself

(I don't want no one else)
No one else

(Just you my boo alone)
With me
Yer you know I can't wait to rock with you

Let's groove tonight
(Yeah yeah yeah yeah yeah)
I wanna move and groove
With my boo tonight
Let's groove tonight
Baby let's groove tonight
(Yeah yeah yeah yeah yeah)

[Mannie:]
Hey shawty what it is, like the way you shake
Now that's something that a man could appreciate
Me and you should get together sum' like a date
I'm diggin you, your diggin me and that's so great
Now everytime I see you drop it
You break it down and make the whole club jock it
The way you pick it up turn around and pop it
I wish I could be the p in you pocket

[Nicole:]
Let's groove tonight
I wanna move and groove
With my boo tonight
Let's groove tonight(I wanna groove tonight)
You know I wanna)
Baby let's groove tonight
(Let's groove groove groove groove tonight)

Woah woah woah
Let's groove tonight
I wanna move and groove
With my boo tonight
Let's groove (I wanna groove with you)tonight
(I wanna move with you)
(I wanna groove with you)
Baby let's groove tonight
(I wanna move with you)
