I can call ya baby
Don't need to be your lady
We can rock it, we can have some fun
You look so amazing, got my fire blazing
So melt me down until the good girls gone
Boy hurry up, need to see if you can bring it all
Boy give it up, if you can take it you're gonna get it all
So put that sign on the door
Don't keep me wanting for more! Oh oh oh

Chorus:

Gimme your guns and keep your stupid roses
Bang bang bang me baby, bang bang b-bang
Gimme your guns and heavy metal, don't need no
posers
Bang bang bang me baby, bang bang b-bang
So we can shoot the place out, till we wake the
neighbors up
Yeah I'm in it for the kill, keep on shooting never stop
Gimme your guns and keep your stupid roses
Bang bang bang me baby bang bang bang

Unleash the freak, go crazy
I'll be honest baby, my thoughts are wrong and just a
little bit wild
Messing with my body 'bout to hurt somebody
It's good enough â€¦
Boy hurry up, need to see if you can bring it all
Boy give it up, if you can take it you're gonna get it all
So put that sign on the door, don't keep me wanting for
more

Oh oh oh

Chorus:

Gimme your guns and keep your stupid roses
Bang bang bang me baby, bang bang b-bang
Gimme your guns and heavy metal don't need no
posers
Bang bang bang me baby, bang bang b-bang
So we can shoot the place out, till we wake the
neighbors up

Yeah I'm in it for the kill, keep on shooting never stop
Gimme your guns and keep your stupid roses
Bang bang bang me baby bang bang b-bang

This game has got me hurt so many times
Turned me to a mistake of your life
But now I know why I'm takin this fire fire fire

Gimme your guns and keep your stupid roses
(and keep your stupid stupid roses)

Chorus:

Gimme your guns and keep your stupid roses
Bang bang bang me baby, bang bang b-bang
Gimme your guns and heavy metal don't need no
posers

Bang bang bang me baby, bang bang b-bang
So we can shoot the place out, till we wake the
neighbors up

Yeah I'm in it for the kill, keep on shooting never stop
Gimme your guns and keep your stupid roses
Bang bang bang me baby bang bang b-bang
